

Recognition Ceremony

“Proud Parent Ribbon Presentation”

This ceremony is intended to be conducted immediately after the presentation of the Bobcat Badge to the Cub Scouts. It is meant to recognize parents, and mothers in particular with the presentation of the “Proud Parent” ribbon. It should be conducted by the Cubmaster assisted by the Den Leader of the newest Cub Scouts, and can also include the Den Leader of any Den with boys receiving their Bobcat Badge.

Cubmaster: We now ask that the mother of each of our Bobcat Badge recipients come forward and take their place behind their Cub Scouts

Cub Scout Leader: Each recipient of their Bobcat Badge has a special presentation to make to their mother in recognition of their guidance and support as they begin their journey on the Cub Scout Trail.

Cubmaster: We ask that each of our Bobcat Badge recipients turn and place the “Proud Parent” ribbon around the neck of their mother. Each ribbon contains the parent medallion of the Bobcat Badge, which stands to remind all of the commitment that each parent makes to the continued support of their son along the Scouting Trail.

Cub Scout Leader: We thank each of our mothers in supporting their sons and in joining the greater family of our Pack.

Cubmaster: Please join us in congratulating our newest Bobcat Badge recipients and their Mothers on their first major step along the Scouting Trail.
