Grow Something

Wolf Cub

Elective Adventure

-
- 2. Find out the growing zone for your area, and share the types of plants that will grow best in your zone.
 - 3. Visit or research a botanical or community garden in your area, and learn about two of the plants that grow there. Share what you have learned with your Den or family.
 - 4. Complete one of the following:
 - A. Make a terrarium.
 - B. Using a seed tray, grow a garden inside your home. Keep a journal of its progress for 30 days. Share the results with your Den or family.
 - C. Grow a sweet potato plant in water. Keep a journal of its growth for two weeks.
 - D. Share the information with your Den or family.
